Order Intake

Order Backlog

Fire Fighting Vehicles

Incoming orders are solid both domestic and overseas, but sales and operating income are forecasted to decrease due to delay in supply of chassis.

Fire Protection Equipment & Systems

Sales and operating income are forecasted to increase due to the solid demand for firefighting extinguisher.

Recycling Machines

Sales and operating income are forecasted to increase due to the steady increase in sales of products.

Environmental Conservation Vehicles

Incoming orders are solid, but sales and operating income are forecasted to decrease due to delay in supply of chassis.

This document contains forward-looking statements. Where any such forward-looking statement includes a statement of the assumptions, bases underlying such a forward-looking statement, or economic environment in the primary markets and fluctuations of demand and supply, Morita Holdings cautions that assumed facts for bases almost always vary from the actual results, and differences between assumed facts or bases and actual results can be material, depending upon the circumstances. Where, in any forward-looking statement, Morita Holdings or its management expresses an expectation or belief as to future results, there can be no guaranty or assurance that the statement of expectation or belief will result or be achieved or accomplished. The words “forecast”, “project”, “believe”, “expect”, “anticipate”, and similar expressions may identify forward-looking statements.

Taking into account the foregoing, the following are identified as important factors, risks or uncertainties that cause the actual results to differ materially from those expressed in any forward-looking statement made by, or on behalf of, Morita Holdings: competitive factors, including and not limited to, pricing, the implementation of Morita Holdings’ product strategies, and economic trends in important markets worldwide.

Morita Holdings assumes no obligation to update its forward-looking statements or to advise of any changes in the assumptions and factors on which they are based.
